MOTH MATCH

Draw a line between each pair of matching moonlit moths.

*Moths with powdery wings so soft gently stir the air aloft.
Their flitter-flutter lullabies barely whisper, "Close your eyes."*

(from Nature's Lullaby Fills the Night by Dee Leone)

COUNT THE CRICKETS

Count the crickets or pairs of musical notes in each group.
Circle the correct number under each picture.

*Crickets slide their slender wings like bows across a violin's strings.
A chirping concert fills the air, and music vibrates everywhere.*

SOMETHING'S FISHY

Compare the pictures. Each fish on the right is missing something.
Add the missing items to each fish.

*Stars drift idly through the sky twinkling their lullaby.
Their glitter dusts the oceans wide, where sleepy little fishes hide.*

(from Nature's Lullaby Fills the Night by Dee Leone)

RAINDROP RHYME

Draw lines between the raindrops that have rhyming words on them.

*A pitter-patter serenade
falls where woven dreams are laid.*

(from Nature's Lullaby Fills the Night by Dee Leone)

SPIDER MAZE

Help the spider get to the center of the web.

*Spiders spin their silky webs
as raindrops land upon their beds.*

(from Nature's Lullaby Fills the Night by Dee Leone)
