# A FUN Coloring Page!

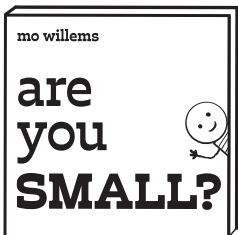

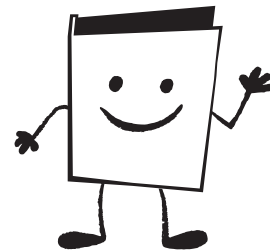

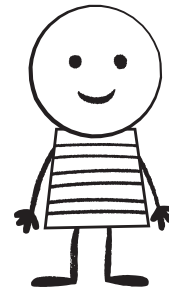

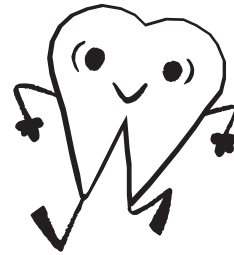

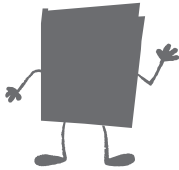

Here's a bite-sized fact: a baby tooth is 25 times smaller in length than a hamster!

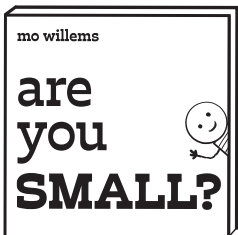

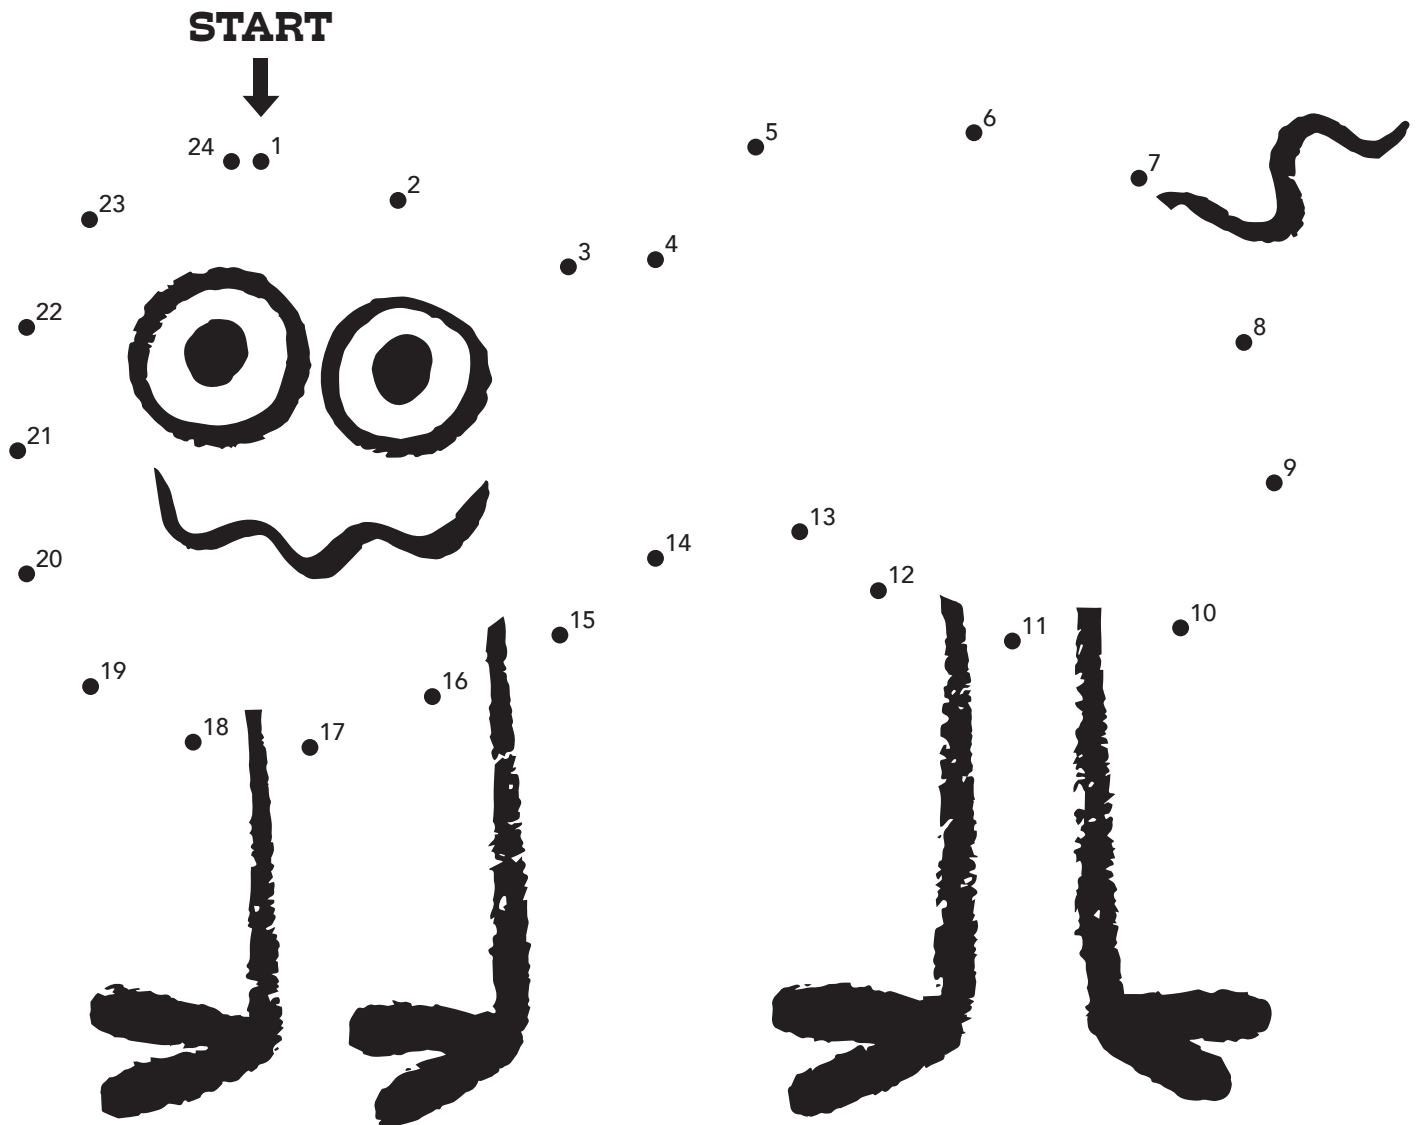

# Shadow Search!

Match each object to its smaller shadow!

# Make a Cellular Connection!

Connect the dots, then color the picture.

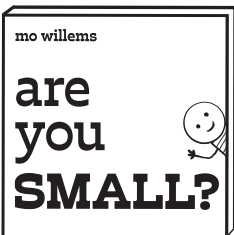

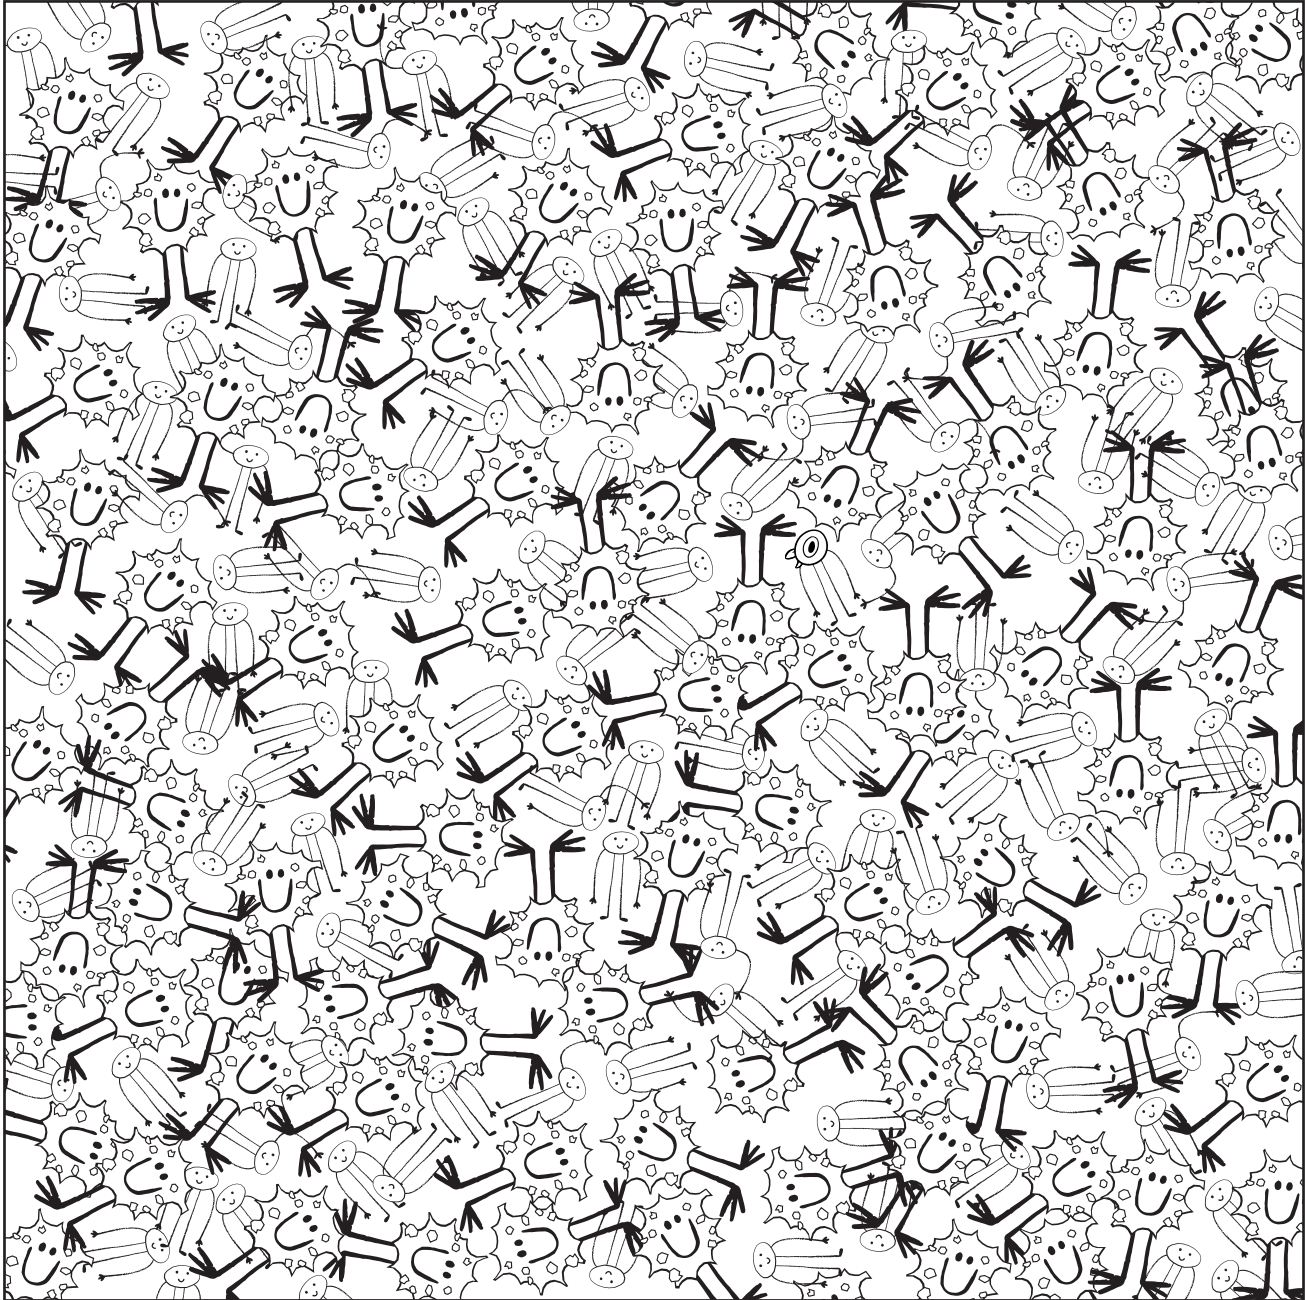

Art © Hidden Pigeon, LLC

# Find the Hidden Pigeon!

Use a magnifier or magnifying glass to find the hidden Pigeon.  
Circle or color The Pigeon. Then color the cookie crumbs and grains of sand!

# Quick Color!

How fast can you color an electron?

Ready . . . set . . . color!
