# COLOR WITH YOUR OPPOSITE HAND!

If you are a lefty, color the image below with your right hand.  
If you are a righty, color it with your left hand.

# CONNECT THE DOTS WITH YOUR OPPOSITE HAND!

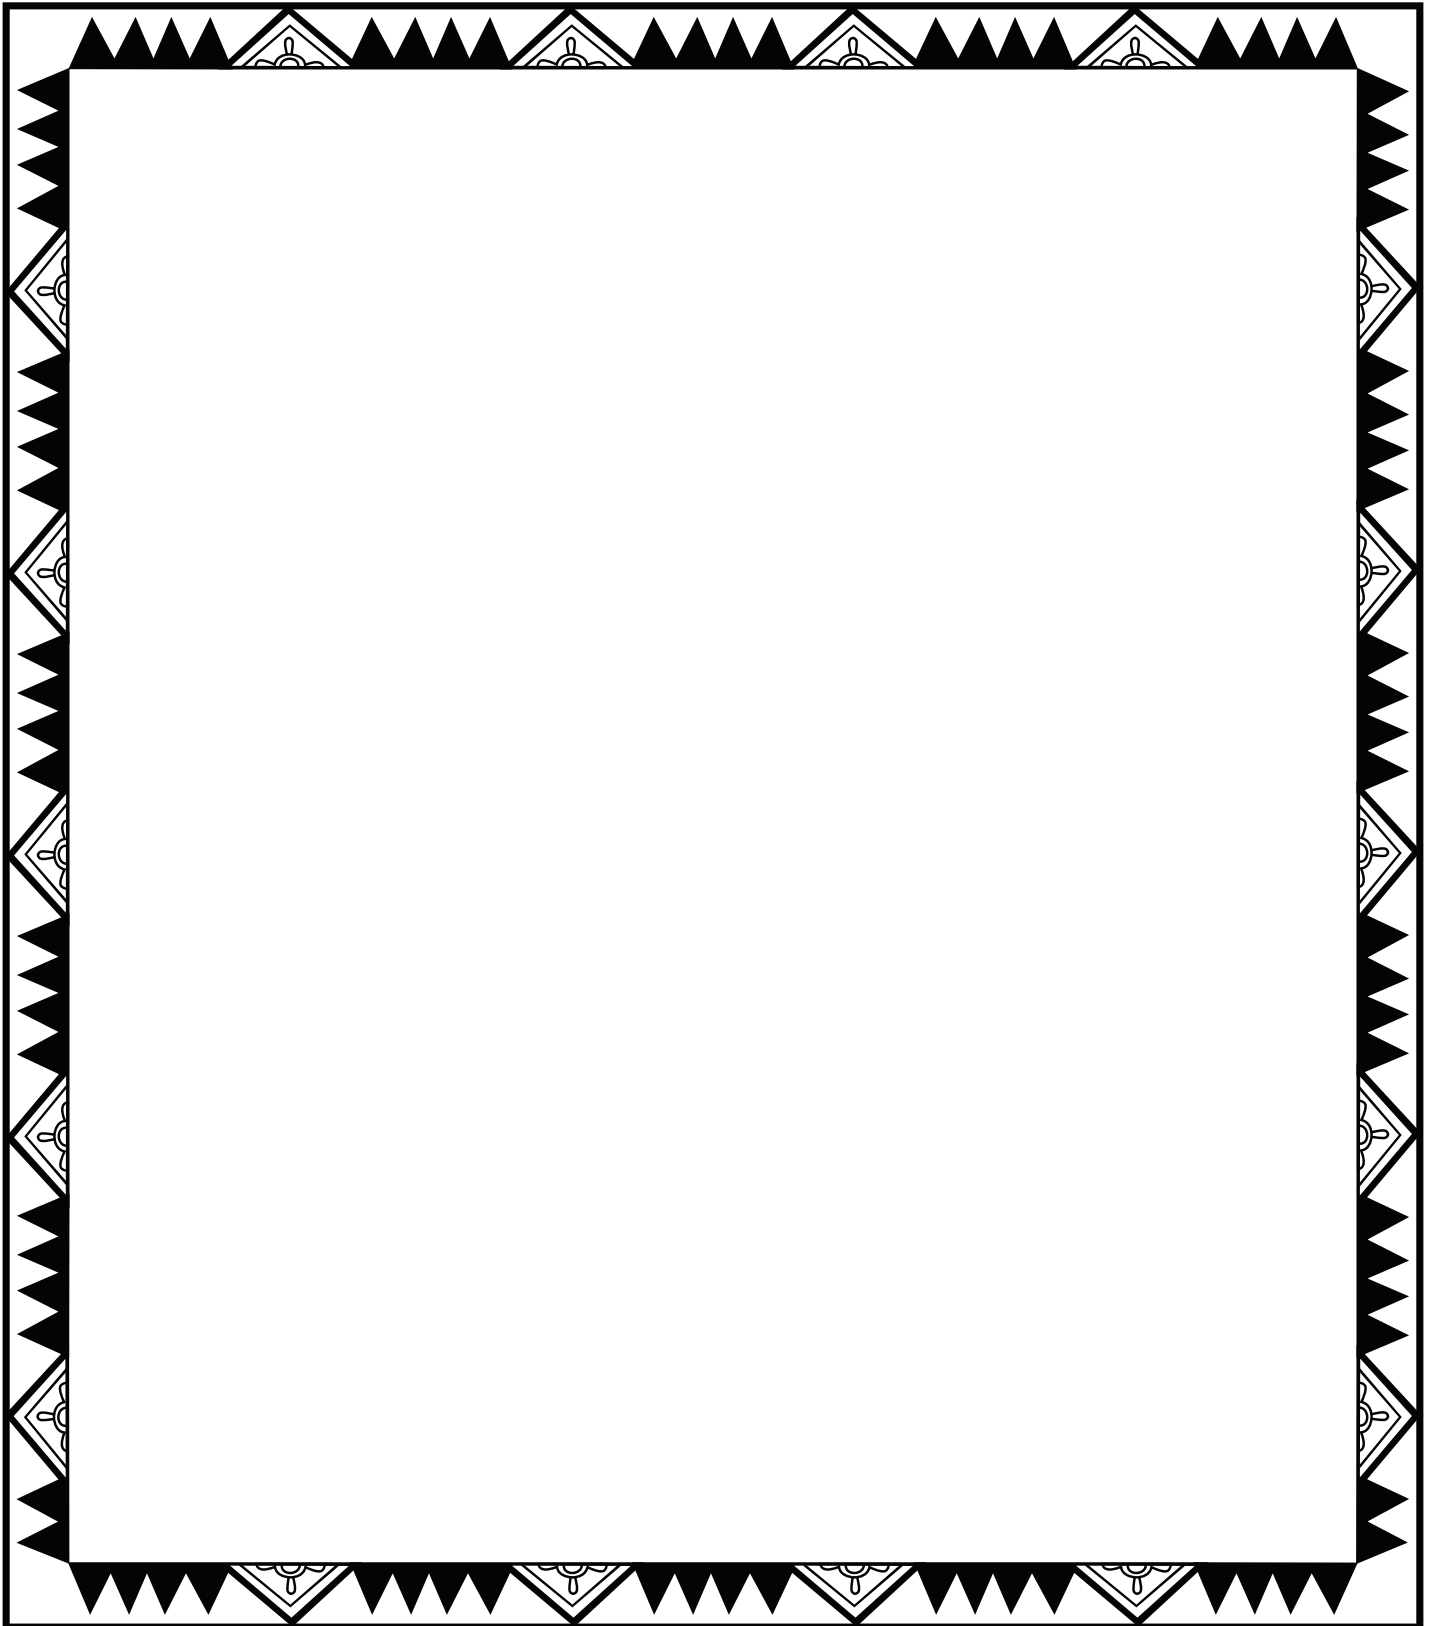

If you are a lefty, connect the dots with your right hand.  
If you are a righty, connect the dots with your left hand.

# HAND TRACING!

Trace your left or your right hand in the space below.  
Then, turn your hand print into something else by drawing a new picture.

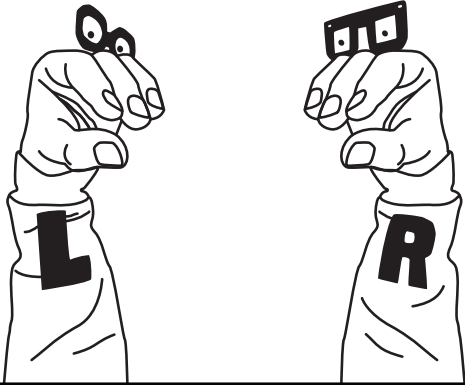

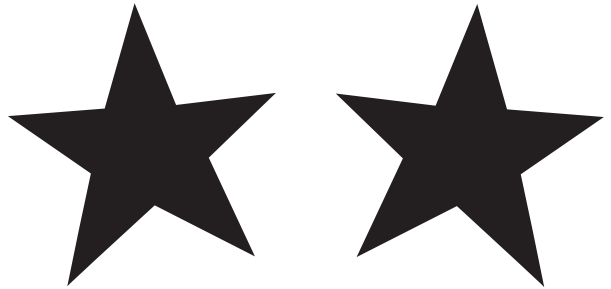

# LEFT AND RIGHT!

Circle the correct shape based on the directions for each.

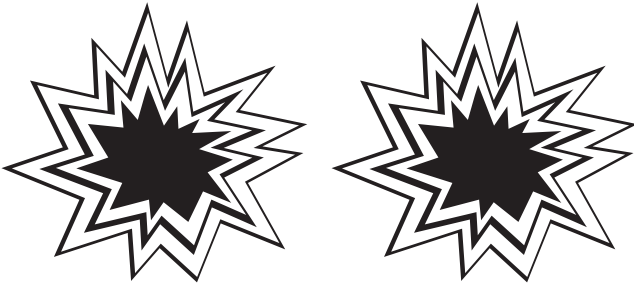

Circle the right hand.

Circle the left star.

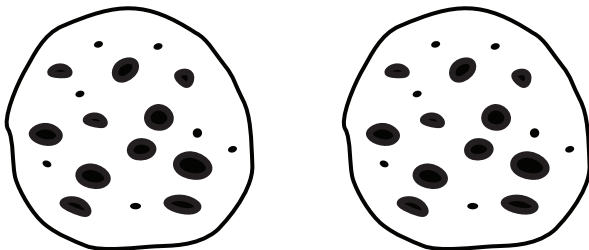

Circle the right burst.

Circle the left letter.

Circle the left cookie.

Circle the right Pigeon.
