# Let's Draw The Holiday Pigeon!

1. Draw the letter *M* twice. The *M*s connect in the middle.

2. Draw a straight line under the two *M*s.

3. Draw a triangle above the two *M*s.

4. Draw the letter *O* at the tip of the triangle.

5. Draw a small line from the center of the *O* to the edge.  
(You made a bell!)

6. For The Pigeon's head, draw a three-quarter circle.

7. Now, draw a smaller three-quarter circle inside the first one.

8. Place the eye next. It is most important part of the drawing, because the eye shows how the character is feeling. Make sure to darken it in.

9. Next, you have a choice between two letters—*M* or *W*—but draw the letter on its side.  
(You made a beak!)

10. Now, draw two lines going straight down for the neck.

11. Almost done! Draw two lines across the neck for the collar.

12. Remember to sign your name!

**FINISHED!**

Great job! That's an awesome Pigeon!

Once you've gotten the basic drawing down, mix it up. Move his hat, his eye, and his beak to create lots of different expressions and emotions!
